SMETA declaration

Auditor team

SMETA declaration	I declare that the audit underpinning the following report was conducted in accordance with SMETA Minimum Requirements and the SMETA Auditor Manual. - Where appropriate non-compliances/ non-conformances were raised against the Base Code and local law and recorded as non-compliances/ non-conformances on both the audit report, CAPR and on the Sedex Platform. - Any non-conformance against customer code alone shall not be uploaded to Sedex, and will be shared directly with the customer in question. This report provides a summary of the findings and other applicable information found/gathered during the social audit conducted on the above date only and does not officially confirm or certify compliance with any legal regulations or industry standards. The social audit process requires that information be gathered and considered from records review, worker interviews, management interviews and visual observation. More information is gathered during the social audit process than is provided here. The audit process is a sampling exercise only and does not guarantee that the audited site prior, during or post-audit, are in full compliance with the Code being audited against. The provisions of this Code constitute minimum and not maximum standards and this Code should not be used to prevent companies from exceeding these standards. Companies applying this Code are expected to comply with national and other applicable laws and where the provisions of law and this Code address the same subject, to apply that provision which affords the greater protection. The ownership of this report remains with the party who has paid for the audit. Release permission must be provided by the owner prior to release to any third parties.
-------------------	--

Any exceptions to the SMETA Methodology must be recorded here (e.g. different sample size)	This semi-announced 1.5 man-day audit was conducted within the scheduled window period of 29.05.2026 to 28.06.2026 by 2 auditors in 1 day.
